

## Absorbent Products Can Help You with Leakage

### Why should I wear absorbent products?

It gives me protection and piece of mind for dryness.

It is easy to buy at a local store or get shipped to my house.

It is more appealing to me than an operation.

### You may be concerned about...

**The cost of the products.** Medicaid and Medicaid Health Plans usually cover the cost of most absorbent products with a prescription from your doctor.

**People knowing you are wearing an absorbent product.** The newest products are very thin and may not be noticeable when you are dressed.
